## Bible Study

### A note from our Bible Study Director....

Has God called you? Yes, He calls you to receive life through Jesus Christ as your Savior and Lord. In addition, whether you attend alone or with family or friends, God calls you to a life of discipleship. We offer small group educational programs from nursery age to adult during the hour before worship. While the Christian Education brochure has class information, check the bulletin and website for special seminars offered as short-term classes during the year.

Providing a safe and caring environment for families is of great importance to us at First Baptist. For parents with pre-kindergarten children, nursery care is provided during both Sunday morning hours. In addition we have age appropriate classes for kindergarten through adult. Speak to one of the Ushers to view the facilities and to register your child. A Christian Education brochure is also available which provides a complete list of classes, teachers and times.

We encourage everyone to participate in the Sunday morning worship service. In addition, we provide an age appropriate worship experience for children through 5th grade. These young people are dismissed to Children's Church after opening worship.
