

**“Eager To Do Good”**  
**Titus 2:11-14**

1. The grace of God \_\_\_\_\_ us. The word “redeem” means to set free by paying a price. We were all slaves to sin. Once we are redeemed, sin should no longer \_\_\_\_\_ in our lives.
  
2. The grace of God \_\_\_\_\_ us. We should have a change in attitude, appetite, and action. “Teaches us” in verse 12 includes the idea of \_\_\_\_\_ and \_\_\_\_\_. Godly living involves both the negative and positive.
  
3. The grace of God \_\_\_\_\_ us. Our hope and glory is the return of Jesus. Vers 13 boldly affirms that Jesus Christ is \_\_\_\_\_. We should always be \_\_\_\_\_ His return and live like those who will \_\_\_\_\_ Him face to face.
